

**Kusaki manju**

Bite-size sweet bun, filled with moist bean paste.

Omuta has produced many sweet buns for coal-mine workers to get energy quick.

**Kasutera manju**

Omuta-born sweet bun with rich flavoured dough and refined white bean paste.

note 04

Omuta  
Gourmet

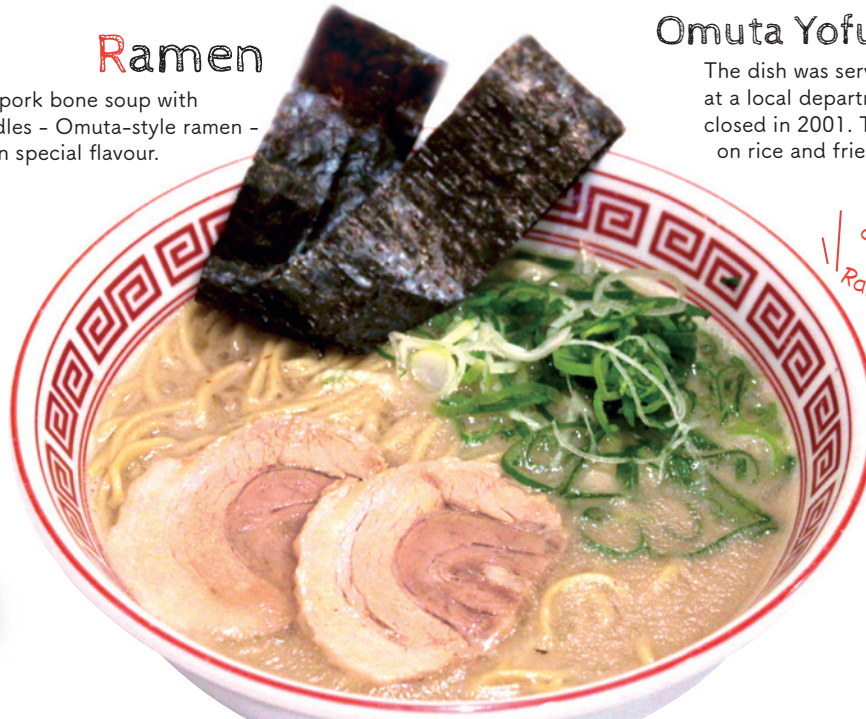

**Yakitori**

A lot of restaurants located in Omuta, serving various foods such as yakitori (chicken skewers) or sashimi.

**Ramen**

Delicious pork bone soup with thick noodles - Omuta-style ramen - has its own special flavour.

**Mikan (Orange)**

High quality Mikan(orange), grown in rich soil.

**DON!!**

**Okonomiyaki**

Beloved must-eat food. Omuta has the highest ratio of okonomiyaki restaurants to population in Japan.

**Omuta Yofu Katsudon**

The dish was served in a restaurant at a local department store that closed in 2001. The sauce coated on rice and fried meat is a must-try.

Good combination with Ramen (No.1)

**Miike Takana**

Pickles that go well with a lot of foods, including ramen, fried rice or any stir-fried dishes.
