

This is a detailed topographic map of a mountainous region in Japan. The map features contour lines indicating elevation, a network of roads, and a river system. The Sagami River (相模川) is a prominent feature, flowing from the top left towards the bottom right. The terrain is characterized by numerous contour lines, suggesting a hilly or mountainous landscape. A road network is visible, including a major road running vertically through the center. The map includes various place names in Japanese, such as '湯平' (Yūhei) and '湯平町' (Yūhei-chō). A scale bar is located in the bottom right corner.
